

Cookie Policy

“Aspari” LTD is the manager of this website. The www.aspari.lv website uses cookies. By clicking “Accept” or any other link on this webpage you are giving your consent for us to set cookies, meaning that you have read the information on the cookies policy and possible situations when information is being passed to third parties.

Cookie information:

A cookie is a small text file sent to your computer or mobile equipment during a website visit. Cookies act as the memory of a specific website, allowing the website to remember your computer in the next visits, including, remembering the settings you specified. Cookies are used to improve the quality of content, make it easier to use and adapt to users' needs.

List of cookies used on the www.aspari.lv website:

- *Required cookies* – helps to make the website usable, provides basic features such as page navigation and access to secure sites on the website. Such cookies are usually set only according to actions performed by the user that makes up a service request, such as setting up privacy settings or logging on.
- *Statistics and website performance-enhancing cookies* – allows us to list visits and data flow sources, so that we can measure and improve the performance of the site. These cookies help us to find out which pages are the most and least used, and see how our visitors navigate through the site. Information collected using these cookies is anonymous.

Cookies are not used to personally identify the user.

Revocation of the consent of the person and limiting the use of cookies:

You can change the settings for cookies at any time in your device's internet browser. For example, you may cancel your agreement to store cookies by selecting a feature in your browser that allows you to reject all cookie-saving proposals.
